**RE: APWA 2010 STRUCTURE PROJECT OF THE YEAR  
SUTTER HILL TRANSIT CENTER - PHASES IA, IB, IIA, IIB**

Dear Mr. Field:

Congratulations! The Sacramento Chapter of APWA has selected your project, the Sutter Hill Transit Center - Phases 1A, 1B, IIA, IIB, for the **Project of the Year Award, 2010**. Your project has won in the Structure Category, Construction Division \$500,000 to \$2 Million, Agency Size: Small. The APWA Sacramento Chapter Awards Program recognizes projects that demonstrate excellence in management, administration, design, construction and community relations, as well as the alliance among the managing agency and the consultant/engineer/contractor who worked together to complete the public works project.

Awards will be presented to the winning project team at our Project of the Year Awards Luncheon on Thursday, August 19, 2010 at the Radisson Hotel Ballroom, 500 Leisure Lane, Sacramento, CA.

We would like to invite you and your team to attend the luncheon to receive your award. Your project and select photos will be displayed when you are presented with your award plaque. You will be given five (5) minutes to introduce your team and briefly describe your project.

Tickets for the event are available for purchase at \$45/person, or \$450 for a table of ten. Enclosed is a reservation form and meal choices for the Awards Luncheon. A plaque will be presented to the Amador County Transportation Commission at the luncheon. Additional plaques may be ordered (\$50) by contacting Alicia Kinert at Dokken Engineering, by calling (916) 858-0642 or email at [akinert@dokkenengineering.com](mailto:akinert@dokkenengineering.com).

Again, on behalf of the Sacramento Chapter of APWA, congratulations on your award winning project!

Sincerely,

Richard T. Liptak, PE
